

## WHAT WE DO

In addition to maintaining the Williamson County art gallery and sponsoring various art shows, we provide annual art scholarships to deserving high school graduates. We've awarded thousands of dollars to talented seniors for continuation of their art education.

Members have the opportunity to hang their work in the Gallery, have their own profile page on our website and participate under the guild tent in shows like the Red Poppy Festival and the Christmas Stroll and other exhibit opportunities.

Other member benefits include subscription to our newsletter, great programs at our general meetings, and the opportunity to meet, learn from and work with other artists.

## Visit the Gallery!

*Located in  
The Framer's Gallery  
610 S. Main Street*
