Building Community Through Creativity

the CHRISTMAS PARTY

Held at Jim and Nancy Brown's home was a great success and a fitting end to a good year for WCAG. We had a wonderful turnout of fellow workers, artists and friends. Fred's gift game, (*shown left*) was very entertaining great fun for all. Our

sincere thanks to Jim and Nancy (*picture below*) for their hospitality, and to everyone who came and brought all the delightful goodies. Thanks for making this a great end to an outstanding year. That's my kind of general meeting!

Just a reminder that this very brief newsletter contains only upcoming events. There will not be a newsletter in January and we will be back in full swing in February. Remember for Feb, the cut-off will be the 10th of the month. We will be including a new category; "Members in the News" so if you have something in the art world to brag about...send it to me. If there are any questions during my time off, call the gallery and someone there can help you. It has been great fun doing this newsletter and I hope you can overlook any foibles, boo boos and fauxpaws, just remember, I am an artist not a writer or editor.

We thank all the members for their support and hard work. WCAG is a wonderful addition to

this community and we all look forward to an even better year ahead. For Fred, I'll say, join us, participate, we need your support and talents. We are a volunteer organization so, to survive, we need you all. Thanks to

everyone who HAS helped out with all our many functions and programs. From everyone on the Board of Directors, Merry Christmas, Happy New Year!

Wherever you are, whatever you do I hope there is some special treasured moment for each and every one of you during this crazy holiday season. Enjoy the holidays and see you next year!

Please plan to pick up your art at Franklin's Jewelers on January 30th between 10am and 1pm. Do not bring new art for this location. I would like to begin a series of one man/woman shows at Franklins in February. Please contact me if you are interested in doing a solo show.

We will need approximately 70 pieces of art for the new show at St David's Hospital. It runs for two months in February and March, and I sure hope you are painting, because it will take everyone participating in order to set up that large a venue.! Detailed information about the hospital show will follow as soon as I have met with the new coordinator.
