## A Bit of Business:

Guild By-Laws Amendment

LowanaCarter, President

Our Guild's By-Laws are terribly out of date and will undergo a complete revision this Spring. Please take a couple minutes to review them and send your suggestions to [wesodell@gmail.com](mailto:wesodell@gmail.com). Wes is the Parliamentarian and has been appointed by me to be the Chairperson for the By-Laws Amendment Committee.

Wes has set a date by which suggestions need to be submitted. It is February 13th. The Committee will present the Amended By-Laws to the Board which will review them at their March 13th Board Meeting and then place the By-Laws Amendment on the web and e-mail them in a Newsletter to all members of record. Those notices will be the "30-day Notice" that is required in the current By-Laws before an amendment can be voted upon. At the General Meeting following the 30-day notice, the Amended By-Laws will be voted on. The planned date for the membership vote is May 1st, the date of the May General Meeting.

The by-laws may be found at the back of the new membership directory and on the Guild website. If you would like to be on the Committee to assist in the revision, contact Wes Odell at 863 8283.

Kudos to Carol Medford, Maggie Allen and Nick Ramos for their  
amazing job on the new Directories!

**HELP WANTED:**

E-Mail Assistance

The Guild is seeking a member who is knowledgeable about e-mails who can select and install a replacement for our current "Yahoo" email machine. This activity will include preparing a "tutorial" for the users who are all Board members and migrating the existing address books to the new system.

The person will work with Carol Medford and Wes Odell to identify the deficiencies of the current Yahoo system, select a replacement, review it with Carol Medford and Wes Odell, and then install it and convert our existing address books to the new system, and brief our users.

If you are interested in making this contribution to your Guild, contact

Lowana Carter at [llcarter2@verizon.net](mailto:llcarter2@verizon.net)

**HELP NEEDED:**

Kim Hoerster, Wes Odell, and Carol Medford are going to get the ART in Art, TX event going again for this Spring, sometime in April.

We need a couple people who are willing to do some clerical and email work to help get it born. It can't be done with just these three, so ..... no volunteers, no event.

Please phone Wes Odell at 863 8283 or by email to [wesodell@gmail.com](mailto:wesodell@gmail.com) if you can spend a few hours helping your fellow artists.
